

CLARA BARTON

March 6, 1964

Dear Mr. Conklin:

We are happy to send you a Form of Proposal for Candidates which you have requested in connection with the nomination of Clara Barton in which you are interested.

It is indeed gratifying to know that your "informal nomination" received the attention it did in The Red Cross Newsletter and we hope this kind of interest continues for a great lady.

Very truly yours,

Freda T. Hliddal (Mrs.)
